1. List the proposed program requirements change(s).
2. Provide a rationale for the change(s).
3. Attach a comparison of the old program with the new program. This comparison should address an increase/decrease in credits with the net change in credits calculated.
4. If applicable, attach revised program information in the form of catalog language underlining information that would be added to the current catalog, and striking out any information that would be deleted from the current catalog.
