

### *Macintosh* – Clear the Cache

---

Internet Explorer is the supported web browser when using PeopleSoft with ConnectND. We have listed how to Clear the Cache for other browsers but they may NOT be supported.

#### **Internet Explorer**

##### **MacOS X**

- Choose 'Preferences' from the Explorer menu.
- Open 'Web Browser' if it's not already.
- Click 'Advanced'.
- Click 'Empty Now'.
- Click 'OK' to close window.

##### **MacOS 9**

- In the Edit menu select 'Preferences'.
- Open 'Web Browser' if it's not already.
- Click 'Advanced'.
- Click 'Empty Now'.
- Click 'OK' to close window.

#### **Mozilla**

- Click 'Edit', and select 'Preferences' on the menu bar.
- Click 'Advanced'.
- Click 'Cache'.
- Click 'Clear Cache' button.
- Click 'OK'.

#### **Netscape 7.x**

- From the top menu bar, click 'Edit'.
- Select 'Preferences'.
- Click 'Advanced'.
- Click 'Cache'.
- Click 'Clear Cache' button.
- Click 'OK'.

#### **Netscape 6.x**

- From the top menu bar, click 'Edit'.
- Select 'Preferences'.
- Click 'Advanced'.

Click 'Cache'.  
Click 'Clear Memory Cache' button.  
Click the 'Clear Disk Cache' button.  
Click 'OK'.

## **Safari**

From the Safari menu select 'Empty Cache'.  
At the Are you sure message, click 'Empty'.
