

Macintosh – Clear the Cookies

Internet Explorer is the supported web browser when using PeopleSoft with ConnectND. We have listed how to Clear the Cookies for other browsers but they may NOT be supported.

Internet Explorer

MacOS X

Choose 'Preferences' from the Explorer menu.
This brings up a dialog box.
Open 'Receiving Files'.
Click 'Cookies'.
Select the Cookies to be deleted from the list.
Press 'Delete' button.
Click 'OK' to close window.

MacOS 9

Up top in the pull-down menus (File, Edit, Tools etc.),
click EDIT, then 'Preferences'.
This brings up a dialog box.
Open 'Receiving Files'.
Click 'Cookies'.
Select the Cookies to be deleted from the list.
Press 'Delete' button.
Click 'OK' to close window.

Mozilla

Choose 'Cookie Manager' from the Tools menu.
Choose 'Manage Stored Cookies'.
Remove any cookie from the list, or remove all cookies.

Netscape 7.x

Choose 'Cookie Manager' from the Tools menu.
Select 'Manage Stored Cookies'.
Select the 'Stored Cookies' tab.
Click the 'Remove All Cookies' button.
Close the Cookie Manager window.
Click the 'Close' button.

Netscape 6.x

From the Tasks menu, select 'Privacy & Security'.
Select 'Cookie Manager'.
Select 'View Stored Cookies'.
Select the 'Stored Cookies' tab.
Click the 'Remove All Cookies' button.
Close the 'Cookie Manager' window.
Click 'OK'.

Safari 1.0

Choose 'Preferences' from Safari menu.
Select 'Security' icon.
Press 'Show Cookies' button.
Select the Cookies to be deleted from the list.
Press 'Delete' button.
