CL School
Certification
Requests

Identifies students who have initiated a loan with a lender instead of at the school, and the lender has sent a school certification request. To remove a student from this query, change their "Load Status" setting on Administer Financial Aid > Process Loans > Inquire 2 > CommonLine 4 Import from "Error" to "Processed" or "Skipped". Use EC Que Instance number on the list to easily find the entry. Enter the award and originate the loan; on the Loan Origination page enter the appropriate lender and guarantor codes, set the "Proc Level" to CR and the Unique Identifier to the same as shown on the list.

The CL Ln Type codes translate to:

- 1 = SF (Stafford Sub)
- 3 = PL (Plus)
- 6 = SU (Stafford Unsub)
- 7 = CS (Combined Stafford sub/unsub)
- 10 = AL (Alternative)

ISIR Comments

Identifies students who have specific comments on their loaded ISIR. Enter Academic Institution, Aid Year, load "from date" and load "to date" (may be same date). Select an address usage type from the drop down, enter up to three comment codes that you are seeking, and select an email usage code. The result will show the students' contact information, the aid year and the comment code. The student's information will be repeated if they have more than one matching comment code.
