THE UND EDUCATIONAL LEADERSHIP Department is proud to announce a joint venture with educational leaders in Pk-12 and higher education women leaders. At the summer 2009 North Dakota Council of Educational Leaders Conference, Dr. Sherry Houdek presented a session on women educational leaders of North Dakota. Since the session was completed, many women have requested development of a Women Educational Leaders in North Dakota organization by forming a partnership with Pk-12 and higher education women leaders. Our first meeting to establish the charter organization is about to happen. READ further for more details.
