2009-10 Contribution Adjustment Request—Independent

Student's Name (please print) _____

Social Security Number _____

A letter of explanation is required to accompany this form. Forms received without a letter will be returned to the student.

A financial aid administrator may adjust an individual family contribution if the administrator believes the family's financial circumstances warrant. The financial aid administrator will not automatically make these adjustments, there must be valid, substantiated reasons for the adjustment.

If your family's 2009 income will be equal to or greater than the 2008 income, do not complete the rest of this form! Contact a financial aid administrator to discuss possible options.

If you qualify for a contribution adjustment, this form (completed front and back), along with a written explanation of your situation, must be submitted to the Student Financial Aid Office. An administrator will review your request for reconsideration. Additional documentation or information may be requested. Examples include (depending on your situation): tax returns, written statements listing types and amounts of income or resources, a copy of a letter of termination, copies of medical bills or private tuition payments, statements from counselors, clergy or social workers, statements from accountants or bankers, marriage certificates or divorce decrees. Documentation is necessary in a student's file to support the administrator's decision and provide a history of the circumstance for an audit or program review.
