NDUS TRANSFER AGREEMENT

The University of North Dakota participates in the General Education Requirements Transfer Agreement (GERTA) with other North Dakota institutions. Students who have completed their general education requirements at another North Dakota institution recognized by GERTA should request proof of this completion be sent to the UND Office of the Registrar. Students who have completed an Associates of Arts degree or who have completed their general education requirements at another North Dakota University System (NDUS) institution will be deemed to have completed the general education requirements at UND.

UND coursework generally acceptable at other NDUS schools as general education courses are designated on the list that follows, e.g., ND: ENGL. Please direct questions about the NDUS Transfer Agreement to the [UND Registrar's Office](#) or another NDUS institution.

UNIVERSITY GRADUATION REQUIREMENTS

A Minimum of 125 semester hours of credit is required for a baccalaureate degree. Transfer students are required to complete a minimum of 60 credits at four-year institutions. The last 30 credits must be UND institutional credit. Institutional credit is academic credit awarded by the University. The following pages describe the requirements which must be met by all students seeking the baccalaureate degree. These include the General Education requirements in [\(I\)](#) Communication, [\(II\)](#) Social Sciences, [\(III\)](#) Arts and Humanities, [\(IV\)](#) Mathematics, Science and Technology, as well as regulations concerning [\(V\)](#) upper division courses, residence, [\(VI\)](#) majors, minors, and grade point average. **A minimum of three (3) credits of the General Education Requirements must meet the World Cultures designation. Students cannot fulfill the world cultures requirement by taking a CLEP or Foreign Language Placement and credit test.**

The philosophy guiding the General Education portion of the University's graduation requirements (I through IV) is explained in the [academic catalog](#). (Note: engineering students should pay special attention to General Education requirements for engineering students in the School of Engineering and Mines section.)

General Education Requirements may be satisfied by:

- (1) Successful completion of classwork acceptable for that area, as specified below;
or
- (2) Achievement of the minimum score required for credit in College-Level Examination Program (CLEP) subject examinations.
