2. An outline of the responsibilities and functions of the ROTC committee was circulated and discussed.

Business

1. **Review of Minutes:** Draft copies of the May 7th Senate ROTC committee were not available. Dr. Rosenberger expressed his apologies and insured these would be available for the next meeting for review.
2. **Review of new Cadre members:** A copy of the Biographical sketches for Lt. Col. Curtis Hunt and Major Bruce Muller were circulated to the committee for review. Lt. Col. Hunt informed the committee of his background and experience and described Major Muller's responsibilities in the AF ROTC program. The committee voted unanimously to approve both Lt. Col. Hunt and Major Muller.
3. **Election of Committee Chair:** Because two committee members and the two student committee members were either unable to attend or were not yet assigned, a motion was made to delay the election of the new committee Chairperson till the next meeting. The motion was approved unanimously by the committee.

1. LTC Kevin Sickinger announced to the committee that he will be retiring 2010 and that the military will be assigning a new commander to the UND AROTC program. He mentioned that he hopes the transition period for the new commander will occur smoothly and that the committee will be helpful in this process.

Meeting was adjourned at 15:00 (3:0pm).
