Dear Dr. Quinn:

I am pleased to inform you that you have been advanced to full membership on the Graduate Faculty of the University of North Dakota. This action was confirmed by the Graduate Faculty on October 22, 2007. This change in your status is made in recognition of your scholarly activities and accomplishments and your demonstrated competence in the teaching and mentoring of graduate students. As a full member of the Graduate Faculty, you may be called upon to chair dissertations as a doctoral advisor or to serve as a Graduate School representative on dissertation committees.

I hope you find your new status rewarding, and I congratulate you on your election to full membership. Should you require any advice or assistance in the course of your activities in the graduate programs, please feel free to contact me.

Sincerely,

Joseph N. Benoit, Ph.D.
Dean
