

## ASME Regional Student Conference

The University of North Dakota Student Chapter of ASME has been selected to host the 2005 ASME Regional Student Conference in Grand Forks, ND April 7 – 9, 2005. We would like to invite your company to participate in this event.

Region VII is comprised of schools from North Dakota, Minnesota, South Dakota, Central Iowa, Kansas, Eastern Wisconsin, Eastern Illinois, Missouri, Nebraska, Manitoba, & Saskatchewan. It includes over 22 colleges and universities. Our goal is to bring members from all sections to this conference as well as our professional members.

The Regional Student Conference is a three-day conference. There are many activities that take place throughout the conference. Some event highlights include:

- Impromptu design contest
- Student design competition
- Technical poster competition
- Old Guard oral competition
- Various workshops and presentations
- Industrial job fair
- Banquet and awards

Industry support is critical in helping to make the Regional Student Conference a success. There are numerous ways that your company can help and support us. Different ways to help make the conference a success include:

- Providing financial support
- Helping judge the design, speech, and poster competitions
- Leading workshops
- Being a keynote speaker
- Participating in the job fair

There are many benefits that come with sponsoring ASME and the Regional Student Conference. Some of these company benefits include:

- Involvement with an organization promoting Mechanical Engineering and developing tomorrow's industrial leaders
- Access to promising Student Leaders in Mechanical Engineering
- Your company's logo will appear on the conference T-shirts and booklets.
- ASME is a non-profit organization and contributions may be eligible for a tax deduction.

For more information or if you have any questions, please contact:
