TOTAL OF ALL ITEMS:	\$
LESS MATCHING FUNDS PROVIDED BY DEPARTMENT (List Fund # _____):	\$ ( _____ )
<b>TOTAL AMOUNT REQUESTED FROM STUDENT TECHNOLOGY FEE FUNDS:</b>	<b>\$</b>

1. Describe the current **technical support** available for this project:
2. Describe **current equipment** (if any) for this project. Include what you intend to keep, and what might be replaced if this proposal is funded:
3. Describe current equipment **to be released** to other departments. Include specifications. (This equipment will automatically be included in the campus redeployment process).

**RATIONALE FOR THE EQUIPMENT:** Please address each of the following. Keep your comments as concise as possible, and limit them to the space provided.

1. Describe how this proposal will specifically benefit students.
2. How does this proposal enhance the department's curriculum and/or research?
3. If appropriate, describe how this proposal uses innovative ways of enhancing the students' learning/teaching/university experience.
4. Describe how this proposal contributes to your unit's strategic plan. Please include the specific goal, objective, and/or action step addressed.
5. Other considerations that the committee may find helpful:
