For what purposes will the equipment be used? _____

The Student Technology Fee Committee is soliciting proposals for used equipment. Following is a list of machines that are available for redeployment:

<u>Quantity</u>	<u>Description</u>
------------------------	---------------------------

Repurposed requests can be completed by UND individuals (faculty and staff). Individuals are asked to submit proposals for the used machines. The committee has set the following priority areas:

- 1. Academic Programs
 - a. labs
 - b. study areas
 - c. student research
 - d. student organizations
- 2. Instructional Support
- 3. Student Support Units
- 4. Presidential Units (including athletics).

NOTE: This equipment may not be used to leverage future Technology Fee awards, and the Technology Fee Committee is not responsible for any upgrades or technical support. Application software is the responsibility of the receiving department or unit. Note also that this equipment may NOT be used for administrative purposes, such as support staff workstations, or for personal use.

PROPOSALS ARE DUE November 30, 2008
