

Call for Repurposed Computer Equipment
Student Technology Fee
Fall 2008

The Student Technology Fee (STF) Committee awarded funds to a number of departments and other units in the last academic year. As part of the award process, each department and unit is asked how many computers can be repurposed and used by another department or unit.

I am writing to inform you that the STF Committee is requesting proposals for those computers that are now available for repurposing. Please indicate as part of your proposal which computers on the repurposing list will meet your needs. We will strive to accommodate your request. A list of available equipment can be found on the Call for Repurposed Computer Equipment Webpage, at: <http://www.und.edu/org/stf/callforredployment.htm> The proposal form is found via the web, at: <http://www.und.edu/org/stf/forms.html>

The completed request can be submitted via email (carolhjelstad@mail.und.edu) or by campus mail to Carol Hjelmstad in the CIO's Office, Stop 9041.

The deadline for submitting proposals is November 30, 2008. Proposals will be reviewed and computers distributed shortly after this review process.
