_____

Which UND department is of most interest:

□ Chemistry □ Chemical Engineering

Which project is of most interest (see our web site for a description of REU projects)

First choice: _____

Second choice: _____

List at least one professional reference whom we can call for recommendation on your behalf

(1)Name_____ (2)Name _____

Affiliation _____ Affiliation_____

Phone: (_____)_____ Phone: (_____)_____

To apply to this program you must submit this **application**, a **transcript** of your academic record, and a brief **narrative** that discusses your interest in this program, and your long-term career goals. Please provide a feel for your background and your interest in research: what projects you have been involved with in the past if any; and if you prefer experimental or theoretical work.

I certify that all information (including transcripts) is valid and true to the best of my knowledge

Signature: _____ Date:_____

Send application materials to:

Dr. Wayne Seames
NSF REU Program, Box 7101
University of North Dakota
Grand Forks, ND 58202-7101

Applications must be postmarked by March 15, 2009.

Late applications will be considered if we have space remaining in the program.
